

Dear Youth Leader,

On behalf of the Southwest church of Christ in Pueblo Colorado, we would like to invite you to our second annual youth rally! The dates for the youth rally are September 23-25, 2011. This year's theme is based on Proverbs 23:23, "Buy the Truth and Sell It Not", emphasizing that we can know God's truths, and that we should never abandon them for something else. We are thrilled to have as our speaker, Sheldon Williams from the East Grand Church of Christ in Springfield, MO. There is no charge to attend this event.

Enclosed you will find a flyer to post at your building along with one copy of all necessary registration forms. Housing is available for all participants including sponsors at our member's homes. **We need each congregation to fill out the "Southwest Youth Rally Housing Form" and either mail it or fax it to us by Friday September 16th**, please include sponsor's names needing housing as well on this form. The individual registration form for each participant is to be brought to the rally and given to registration personnel.

Each participant needs to bring a Bible, registration form, sleeping bag, pillow, towel, clothes, and toiletries (*deodorant, shampoo, soap, etc*).

All forms included in this packet are also available for download at our web page at www.swchurchofchrist.org. Please let me know if you have any questions, we are sincerely looking forward to your presence!

In Christ,
