

Programs

YMCA programs are the tools we use to accomplish our mission, achieve our vision of building strong kids, strong families and strong communities and reinforce the YMCA core values of caring, honesty, respect and responsibility. Our programs reflect the needs of the local community and are delivered through an asset-building approach. Programs your child may participate in today include swimming in the aquatics center, climbing on the 44' climbing wall, foosball, air hockey or ping pong in the game center and various sports activities in the gymnasium.

A Community Charity

The YMCA of Pueblo seeks to ensure that everyone has the opportunity to participate in programs and services that assist them in living fuller, healthier lives. Because of the positive impact of the Strong Kids Campaign, more lower-income youth, teens, seniors and families throughout our community are provided the opportunity to participate in YMCA programs and services than ever before. Through the YMCA's scholarship program, the YMCA serves all people regardless of ability to pay. Eligibility is based on total earnings, extenuating circumstances and available funds.

Volunteers

YMCA of Pueblo is volunteer founded and volunteer led. We depend on the generosity and dedication of our volunteers to meet the unique needs of our community. Volunteers are at the center of our operations—from reading to children to teaching swimming and from coaching sports leagues to working with seniors. They also serve on committees and policymaking boards that set the strategic direction for our YMCA and partner with professional staff to ensure that the YMCA is mission driven.

Participants Code of Conduct

I will place an emphasis on the fun of participation and keep the emotional and physical well being of all participants ahead of my personal desire to win. I will require myself to treat other participants with respect without regard to gender, race, religion, culture or ability. I will encourage good sportsmanship by giving positive support to all people. I will support and assist this experience however I can...by being respectful, by assisting others as needed and by providing transportation, etc. I will support the YMCA by working with other families to encourage a positive and enjoyable experience for all. I will refrain from the use of tobacco, alcohol, and drugs while at the YMCA Community Campus and I will encourage others to do the same. I will remember that the YMCA is about building healthy families and children and will do my best to make this experience fun for all children and parents involved. I will monitor the actions of our group and will bring any behavior that is inconsistent with the YMCA's philosophy to the attention of someone in authority at the YMCA. I will be responsible for my family so that YMCA staff and volunteers will not be left in a compromising position.

Mission: To put Christian principles into practice through programs that build healthy spirit, mind and body for all.
